

BB PRO STOCK 1403

CODE 11403

14% CRUDE PROTEIN- Important protein level For growing calves, and goats. Also meets the needs for maintenance, and breeding of dairy and meat goats.

MOLASSES- Texturized grain mixture with liquid molasses, improves palatability, encouraging intake of This feed formula to calves, and goats.

YEAST CULTURE- Increases feed efficiency through faster papillae development in the rumen and conversion of fiber to V.F.A. (energy source). Increases stimulation of the immune system in calves and goats.

CHELATED MINERALS- Improved bioavailability of copper, zinc, manganese, magnesium and potassium. Aids in building a strong immune system and adding bloom.

VITAMIN FORTIFIED- with Vitamin A, D, E and B Vitamins.

ORGANIC SELENIUM – Improves the calf/goat selenium status and immune function.

ADDED PROBIOTICS – Improves absorption of nutrients with optimum intestinal conditions.

ADDED BEET PULP – Beneficial fiber for the beginning and maintenance of rumen function.

PURPOSE STATEMENT- A Textured Feed For Growing Calves, and Breeding Age Goats.

GUARANTEED ANALYSIS

Crude Protein (Min).....	14.00%
