

BB Bacon Builder™

Elite

GROWER/FINISHER – Show Pig Feed Formula for pigs from 50# body weight to market weight. Added Whey and Steam Rolled Oats for optimum bloom.

MULTIPLE SOURCES OF PROTEIN- A combination of protein sources including soybean meal, blood meal, fish meal, and whey to achieve the complete balance of amino acids supporting maximum gain.

AMAFERM – A prebiotic that amplifies nutrient supply for maximum performance, by promoting feed intake, increasing feed digestibility, and maximized nutrient absorption.

AMINO ACID/ENERGY BALANCED- The combination of corn, fat and high amino acid levels promote maximum lean daily gain as efficiently as possible.

VITAMINS & MINERALS- All the vitamins, trace and macro minerals for growing finishing pigs. 1.25/1.0 calcium phosphorus ratio
Organic Zinc for an improved immune system
Organic Manganese for larger loineye.

PHYTASE – Added for improved bio availability of phosphorus in the corn portion of this product. Other trace minerals like zinc are also more available.

NO MEDICATION – No drugs, hormones, or antibiotics.

FEED TYPE- SWINE FINISH DIET COMPLETE

FEED FORM- MEAL

CODE# 6211

Purpose Statement: A Natural Show Pig Growing/Finishing Diet for Superior Gains When Fed to Hogs with Improved Lean Type Genetics Contains AMAFERM, a trademark of Biozyme Inc.

GAURANTEED ANALYSIS

Crude Protein (Min).....	18.00%
Lysine (Min).....	1.20%

Crude Fiber (Max).....	7.00%
Calcium (Min).....	0.75%
Calcium (Max).....	1.25%
Phosphorus (Min).....	0.50%
Salt (Min).....	0.20%
Salt (Max).....	0.70%
Selenium (Min).....	0.3ppm
Zinc (Min).....	1150ppm

INGREDIENTS

Ground Corn, Dehulled Soybean Meal, Steam Rolled Oats, Soy Hulls, Dried Whey, Blood Meal, Monocalcium Phosphate, Calcium Carbonate, Vegetable Oil, Fish Meal, Salt, Copper Amino Acid Chelate, Zinc Amino Acid Chelate, Manganese Amino Acid Chelate, ferrous Sulfate, Zinc Oxide, Manganous Oxide, Folic Acid, d-Biotin Vitamin A Supplement, Vitamin E Supplement, Thiamine Mononitrate, Pyridoxine Hydrochloride, D-Calcium Pantothenate, Riboflavin Supplement, Menadione Sodium Bisulfite, Ethylenediamine Dihydriodide, Ferrous Sulfate, Mineral Oil, Vitamin D3 Supplement, Selenium Yeast, Sodium Sulfate, Kaolin, Cellulose, Hydrogenated Vegetable Oil, Condensed Fermented Corn Extractive, Dehydrated A. Oryzae Fermentation Extract, Natural Flavors, Vitamin B12 Supplement, Amaferm Ingredients

FEEDING INSTRUCTIONS

Feed BB Bacon Builder ELITE as the sole ration to show pigs weighing 50 pounds or more. Continue to market weight. Make sure that an adequate supply of fresh clean water is available at all times. Adjust feeders carefully to prevent feed wastage, but open enough to provide a constant supply of feed. Pigs should be de-wormed with a broad spectrum at the start of the feeding period. Keep feeding floors clean to prevent the spread of disease and to improve efficiency. See your Buckley Bros. Swine Specialist for your specific needs.

CAUTION: Follow label instructions
